Club of the Year

RYA Training Centre

Sailability

BRITISH YOUTH SAILING
RYA
Recognised Club

Enjoy the freedom of being on the water, whatever your age or ability

Papercourt Sailing Club is a recent winner of RYA Club of the Year and a British Youth Sailing Recognised Club.

Our family-friendly club has over 1,200 members, and is set in beautiful countryside in the heart of Surrey, with easy access from the M25 and A3 at Ripley.

Run by members for members, we have a very active youth section and operate all year round.

Competitive club racing and cruising takes place every weekend on our own 45 acre lake, and we support and encourage all levels of experience and physical ability. The club also has numerous boats available for hire by members, including a fleet of Hartley 12s which are ideal for family sailing.

We are also an RYA accredited Training Centre, teaching a wide variety of courses including dinghy sailing and powerboat skills to members, as well as holding Sailability Foundation Status.

On shore, we have a busy social calendar with a wide range of events designed to make full use of our recently renovated clubhouse, with its competitive bar prices and beautiful, relaxing view of the lake.

Our membership rates are very competitive, amongst the lowest in Surrey, making Papercourt a great place to sail for all the family.

Sailing and racing for everyone

- Cruising and racing 52 weeks of the year
- Youth coaching every Saturday in the summer and regularly in the winter
- Ladies' sailing days
- Regular disabled sailing (Sailability) days
- Sailed classes include: Optimist, Topper, RS Feva, RS Aero, RS 200, Solo, Laser, GP14, Enterprise, Scows plus many others
- Largest Optimist and Solo fleets in the world

Comprehensive training opportunities

Our qualified instructors run a full range of youth and adult training courses, designed for complete beginners right through to experienced sailors, including:

- Adult, Junior dinghy sailing and specialist Ladies' sessions
- Start to Race and Race training
- Powerboat Level 2 and Assistant and Dinghy Instructor courses
- Class-specific training, including Optimist, Topper, RS Feva, Laser, Solo, RS Aero, RS 200
